Phone: (937) 836-8624 Fax: (937) 836-1240 Web Site: [www.ci.union.oh.us](http://www.ci.union.oh.us)

**REPLACEMENT OF A SEWER LINE  
WITHIN  
THE CITY OF UNION**

Please contact City Hall at 836-8624 when the line will be replaced and for all inspections.

Sewer Lateral - minimum 4 inch PVC, Schedule 40

Air Test required on sewer lateral - 5 psi

Trench for pipe to be constructed as follows:

4 inches of compacted gravel below new pipe

12 inches of compacted gravel above pipe

**cdf within 3 inches of pavement (if line is under street)**

**3 inches of asphalt. Make sure the outside edges of the asphalt are sealed with liquid tar so water can't get in.**

**\$500.00 MUST BE PAID TO CITY OF UNION AS BOND BEFORE WORK IS STARTED.**

**WHEN INSPECTIONS ARE DONE AND IF THE WORK IS SATISFACTORY, THE \$500.00 BOND WILL BE REFUNDED. (MAY BE APPROXIMATELY TWO WEEKS AFTER COMPLETION OF PROJECT IN CASE OF SETTLING)**
